

ALUPANEL[®]

METALLIC FINISHES

One of the widest ranges of metallic finishes available

Alupanel[®] is perfect for creating high quality, eye-catching projects in a variety of areas including retail design, sign making, POS/POP, interior design and furniture construction. Some finishes are available with a digital coating to facilitate direct printing which further increases the array of stunning results that are achievable with Alupanel[®].

Available finishes:

ALUPANEL®

METALLIC FINISHES

Alupanel is an internationally recognised product providing pioneering solutions to the Sign, Advertising and Construction markets.

In a highly crowded business environment it is vital to get noticed. From eye-catching signage, innovative point of sale displays to highly effective way finding solutions, there is only one all round solution – Alupanel.

Alupanel is a premium quality composite panel made from aluminium composite materials featuring two 0.30mm aluminium sheets, sandwiching a polyethylene core. In addition to our metallic finishes, Alupanel is available in one of the widest colour ranges on the market, all standard PE colours come with a 5 year external guarantee.*

0.3mm high grade aluminium skin

High quality PE core

Co-extruded adhesive for a superior bond

Available in a wide range of colours and finishes

Easy-peel protective film designed to protect the panel

Property

5 year guarantee*

*Brushed Aluminium has a 5 year warranty for external as well as internal use. All other brushed and mirror finishes are guaranteed for interior use only.

Established in 2004, Multipanel UK brought ACP manufacturing home to Britain in 2014. Our UK factory uses the most advanced manufacturing and logistics technology in the industry to produce our Alupanel products.

We pride ourselves on the precision, rigidity and flatness of every panel we stock. Using the finest raw materials carefully sourced from Europe, we match (and often exceed) the quality on offer from any manufacturer whilst achieving the best price vs quality ratio in the market.
